

RE-ENTRY POSITIONS.

DESY, Hamburg location, is seeking: Scientists, Engineers, Technicians (f/m)

DESY

DESY is one of the world's leading research centres for photon science, particle and astroparticle physics as well as accelerator physics.

DESY supports the re-entry of young employees in the research community after a break for the education of children in offering them two positions (full-time). The positions are limited to two years and they are also on a part-time basis possible. Following professional groups are taken into account:

- Technicians (f/m)
- Engineers (f/m)
- Post graduates (f/m)
- Ph.D. students (f/m)

The position taken after the parental leave cannot be started directly after the end of the parental or maternity leave, as the program only concerns candidates who are without any employment. The DESY directorate decides at least about the allocation of the positions.

The procedure is the following:

You can either apply for a concrete opening or send an unsolicited application to the DESY personal department, indicating that you apply for a re-entry position. You may also directly contact a DESY-group. The formal application is then done together with that group. If you should have any questions, please don't hesitate to contact the DESY equal opportunities officer, who can help with information and advice.

sylvie.faverot-spengler@desy.de, phone (040) 8998-1830

Salary and benefits are commensurate with those of public service organisations in Germany. Classification is based upon qualifications and assigned duties. DESY operates flexible work schemes. Handicapped persons will be given preference to other equally qualified applicants. DESY is an equal opportunity, affirmative action employer and encourages applications from women. There is a bilingual kindergarten on the DESY site.

We look forward to receiving your application with the note "Re-entry positions", preferably by E-Mail:
