Acknowledgement

We are grateful to I. Abt, J. Bartels, J. Blümlein, A. DeRoeck, A. Deshpande, L. Frankfurt, E. Gabathuler, R. Hertenberger, R. Jakob, M.W. Krasny, F. Olness, H. Reinhardt, N. Skatchkov, M. Strikhman, G. Schierholz, W.K. Tung, C. Weiss and further participants of the HERA3 workshops who contributed significantly to this letter of intent. We would like to thank A. Caldwell and F. Willeke for their encouragement and assistance, as well as the further members of the HERA3 steering committee, H. Abramowicz, G. Mallot, R. Millner, D. Ryckbosch and R. Yoshida. We thank the DESY directorate for the opportunity to present this letter of intent.
