Gustav-Adolf Voss at DESY
DESY Hamburg, 4 September
2009

First Stored Beam in PETRA on 15 July 1978

First Electron Proton Collision in HERA on 19 October 1991

To Be Effective ...

To be effective,
you need to have:

- ① motivation,
- ② positive coupling with
co-workers,
- ③ intelligence.

(in that order!)
